Rally Obedience Description

For a complete description of the Rally rules, regulations, performance guidelines, explanation of exercises, etc. go to www.APDT.com.

To learn more and get new ideas, you can join the “all dogs” Rally chat list and talk to other APDT Rally enthusiasts by sending a message to RallyO-All-Dogs-subscribe@yahoogroups.com.

Rally-O is a new sport which consists of a sequence of stations, run as a heel-work course by a handler and dog, where a sign at each station indicates an obedience exercise which the team must perform. Rally is designed to be more relaxed than precision competitive Obedience, focusing instead on attitude and enthusiasm, while the variety of exercises and courses allows you to show off your versatility and teamwork. Rally is intended to promote positive relationships between dogs and owners based on trust and mutual respect. Dogs and handlers should both appear to be enjoying the competition and each other's company.

APDT Rally encourages participation by ALL dogs – purebred or mixed breed, pets or titled champions. Handlers are allowed to encourage their dogs in the ring using verbal praise, petting, and even food rewards just as they would in a good training session. The dogs must perform the exercises correctly and there should be a practiced smooth flow to the performance.

You should be familiar with all of the different Rally-O exercise signs prior to the event.
Go to APDT.com/RallyO.htm to find a detailed explanation of each of the exercise signs and have fun practicing them with your dog.
